

Return to Direct Supports Guidance

11/16/2020

In an effort to keep the CCS community safe, we will be returning to partial in-person employment and community services as deemed necessary. We will continue to provide virtual and remote supports to meet individual needs.

CCS will use the following State-defined essential supports as criteria to determine this phase of in-person supports.

- Isolation is impacting wellbeing
- Suicide or risk of dangerous behavior
- Acute experiences are impacting wellbeing
- Having difficulty securing basic needs
- Requires social emotional support
- Requires medication support
- Recent hospitalization
- Remote services are not adequately meeting needs
- At risk of losing home placement
- At risk of losing employment

General Requirements for Providing Direct Services:

- Using good hand hygiene is top priority. Proper hand hygiene will be done every 30 minutes and before, after and during each activity
- Masks will be worn at all times unless eating at a minimum of 6-8 foot distance
- Taking a short car ride (30 minutes max) to a destination with at least one window cracked
